Dear Sirs;

I wish to offer my opposition to your upcoming water rate increase.

My wife and I haven't had a raise in our salary in over seven years due to the economic problems in our country.

I believe that to raise the rates now is just very unwise and produces a new hardship upon the tax payers of this district.

We had to pay higher taxes on our automobile due to the "Cash for Clunkers" give away, and frankly, we are out of money

To just hand out to another government agency.

I ask you to consider the state our country is in these days, and please do NOT raise another tax!!!!

The proposed 25% increase is just not good sense under these conditions.

Sincerely,

Rev. Thomas Stanley Cole
