Re: Charles Carter, Jr. v. Kentucky Utilities
Petition for Confidential Protection received 4/22/10
PSC Reference – Case No. 2010-00129

Dear Ms. Sturgeon:

The Public Service Commission has received the Petition for Confidential Protection you filed on April 22, 2010 on behalf of Kentucky Utilities Company ("KU"), to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as the Complainant's account number, which is contained in copies of Mr. Carter's meter test results and a copy of the Residential Energy Audit Program Report, which KU filed as supporting documents in its Answer to Complaint.

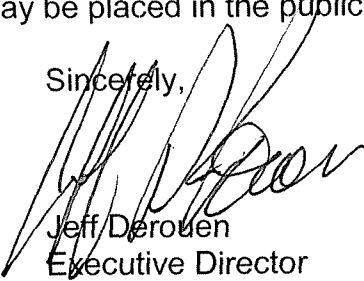

Your justification for having the Commission handle this material as confidential is that it is of a personal nature and that the public disclosure of the information would result in an unwarranted invasion of personal privacy.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the redacted information requested to be held confidential is of a personal nature, which if publicly disclosed would result in an unwarranted invasion of personal privacy. Therefore, the redacted information containing the Complainant's account number and personal information **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Kentucky Utilities Company is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

A handwritten signature in black ink, appearing to read "Jeff Derouen", is written over the typed name and title.
