Re: PSC Filing for New Nonrecurring Service Offered by Owen Electric Cooperative Dated
03/16/10

Dear Kentucky Attorney General Jack Conway,

Attached please find copy of filing for a new nonrecurring service filed with the KY Public Service Commission on March 16, 2010.

Owen does not expect this new rate to provide any additional revenue. It will help minimize the need to send a service man out to a consumer to make a physical disconnect or reconnect. It is really a replacement of one service for another service.

If you have any questions, please contact me at your convenience.

Sincerely,
OWEN ELECTRIC COOPERATIVE, INC.
