JULY 15, 2010**

1. In preparing your testimony, please identify with whom you discussed the issue of retail competition?

Response:

Objection. The question seeks information that is not relevant to the subject matter of this proceeding and that is not reasonably calculated to lead to the discovery of admissible evidence. Without waiving the foregoing objection, Delta submits the following response.

While drafting testimony, Mr. Jennings discussed the general issue of further, or small volume customer, retail choice programs with certain of Delta's officers and Delta's Manager – External Affairs. Mr. Jennings also discussed his testimony with Delta's outside legal counsel.
