RE : Purchased Water Rate Adjustment

Mr. Derouen,

By letter dated March 16, 2010, we were notified that our wholesale supplier, Owensboro Municipal Utilities (OMU) will be increasing their rate charged to us from \$ 1.602 per 1,000 gallons to \$ 1.65 per 1,000 gallons effective June 1, 2010. As a result, we are submitting a purchased water adjustment to recover the additional water cost to the West Daviess County Water District. Page 1 and 2 is the application requested by the Public Service Commission for the rate adjustment. Page 3 and 4 is the revised tariff sheets which pertain to the rate increase. Exhibit A is the before mentioned letter from OMU. Exhibit B is our calculation of how the increase will affect the rates to our customers. Exhibit C is the newspaper notice notifying our customers of the purchased water adjustment submitted to the Public Service Commission to be included in our local newspaper within the next couple of days.

If there are any questions, please contact our office.

Sincerely,

WILLIAM G. HIGDON
Manager
