RE: Corinth Water District Case #2010-00155

Dear Sirs:

The Corinth Water District Board of Commissioners has reviewed the Commission Staff Report issued on July 12, 2010 in the above referenced case. The Board agrees with the Staff's recommendations for a \$158,668 revenue increase, or 24.84%, and also agrees with the new rates that are recommended in Appendix C of the Staff Report. Since our cash flow is very low, we respectfully request that the Commission issue a Final Order approving the new rates prior to the end of July.

At this time, we would also like to express our sincere appreciation to the Commission Staff---and especially Mr. Sam Bryant---for his prompt and highly professional handling of our rate application. Given our tight finances, this is very important to the District, and we appreciate the effort given forth by all concerned.

Sincerely,

William H. Hill, Manager
Corinth Water District

Sincerely,

Dan Field, Chairman
Corinth Water District
