INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Main Case File - Case No. 2010-00194

FROM: Vicky Townes, Team Leader

DATE: September 17, 2010

RE: Informal Conference of July 20, 2010

Pursuant to the Commission's May 26, 2010 Order, an Informal Conference ("IC") was scheduled with Big Rivers Electric Corporation ("Big Rivers") for July 20, 2010, at the Commission's offices. Due to the length of travel time for Big Rivers' representatives it was suggested by Commission Staff ("Staff") that the IC be conducted by telephone. Representatives of Big Rivers and Staff discussed by telephone Big Rivers' responses to the first round of data requests in the current examination of the company's environmental surcharge mechanism. Lists of attendees from Big Rivers, submitted by its counsel and Staff are attached to this memorandum.

Staff asked a few clarifying questions related to information included in the first data request. The topics discussed were related to operations and maintenance expenses. There being no intervenors and no further responses to questions from Big Rivers, Staff asked if Big Rivers wanted to have a hearing on this matter or to submit for a decision based on the current record. Big Rivers indicated that they would submit the current record for a decision and would send a response to that effect.

There being no further discussions, the meeting was adjourned.
