**RE: Formal Application for a Purchased Water Adjustment**

This is an application for a purchased water rate adjustment for the Jessamine County Water District No. 1. The adjustment is necessary to recover an increase in the cost of water attributable to our supplier's new wholesale rates that became effective October 4, 2008. The District is seeking to make this effective June 15, 2010.

The district will publish the enclosed public notice of the requested rate revisions in the local newspaper. In accordance with PSC rules and regulations, the notice will be published before the new bills are issued. A copy of the newspaper notice and an affidavit verifying publication will be forwarded to you upon publication.

Sincerely,

Chairman
