COMMISSION

Dear Mr. Derouen:

Kentucky Rural Water Association will host its 2010 Operator Expo at the Nelson County Fairground in Bardstown, Kentucky on May 26-27, 2010. We would like to request that this training be approved for commissioners as referenced in regulation 807 KAR 5:070.

Please find enclosed a training summary, which includes a timed agenda, a description of each topic, and a brief speaker bio. At this time we do not have copies of any written material that may be provided during the individual sessions; however, if handouts are distributed a copy will be provided to the commission. Approval for this training session has also been submitted to the Kentucky Boards of Certification for Water Treatment and Distribution System Operators and Wastewater System Operators. A copy of that application is included.

With this letter and enclosures, Kentucky Rural Water Association is requesting the approval of up to six (6) hours for water district commissioner training. If additional information is needed, please do not hesitate to call.

Sincerely,

Clem Wethington  
Education Director
