- **Paul A. Coomes**, a Professor of Economics at the University of Louisville, testifies regarding whether the proposed acquisition is consistent with the public interest
- **Lonnie E. Bellar**, Vice President of State Regulation and Rates of LG&E and KU, testifies regarding regulatory issues affecting LG&E and KU after the closing of the proposed acquisition

Regulatory Commitments

- PPL is aware of the importance of the regulatory commitments that the Commission imposed in the LG&E-KU merger, the acquisition by Powergen plc, and E.ON AG's acquisition of Powergen
- For that reason, PPL and E.ON US Investments agreed in the Purchase and Sale Agreement that PPL would take the unusual step of making Regulatory Commitments in advance of seeking this Commission's approval
- The Regulatory Commitments are attached to the Purchase and Sale Agreement, Exhibit A to the Parties' Joint Application, and are also attached separately as Exhibit D to the Joint Application

Commitments to the Communities Served by E.ON U.S., LG&E, and KU

- To maintain E.ON U.S.'s and LG&E's headquarters in Louisville and KU's headquarters in Lexington for a period of 15 years following consummation of the proposed acquisition

- That no planned workforce reductions will be made as a result of the proposed acquisition
- For as long as it owns, controls or manages LG&E or KU, PPL will endeavor to have an individual resident of Kentucky on its Board of Directors

- To work with the Governor of the Commonwealth of Kentucky and with state agencies to promote economic development in Kentucky

- That LG&E and KU will continue to maintain a substantial level of involvement in community activities, through annual charitable and other contributions, on a level comparable to or greater than present levels

Financing Applications

- E.ON U.S., LG&E, and KU have also filed applications with the Commission seeking approval to refinance portions of LG&E's and KU's debt
 - Refinance \$1.816 billion in unsecured debt held by Fidelia Corporation, a subsidiary of E.ON AG, with unsecured notes from PPL at the time the proposed acquisition closes
 - These unsecured notes would later be refinanced with First Mortgage bonds issued by LG&E and KU
 - Long-term debt will not increase beyond what the Commission has already approved
 - Secure tax exempt pollution control bonds
 - Replace revolving credit facilities

Future Conference

- The Commission has indicated its preference for another conference during the third or fourth week of June 2010
- PPL, E.ON U.S., LG&E, and KU look forward to meeting again soon with the Commission
