Re: KPSC hearing on the sale of LG&E to PPL

We are writing on behalf of a coalition of Louisville citizens and representatives of social justice organizations in the Louisville area concerned about the pending sale of LG&E to PPL.

We believe that the sale of LG&E to PPL is not in the best interest of the people of Louisville. Because of this, we are requesting that a public hearing about the sale be held in Louisville to provide an opportunity for comment.

It is our recommendation that the hearing be held within 30 days of the receipt of this letter. We also recommend that it be held at the Nia Center located at 2900 W. Broadway in Louisville because the building is centrally located and accessible by bus.

Your attention to this request is appreciated and we look forward to your response. We can be reached by email at kyall@insightbb.com or by phone at 502-778-8130.
