REQUESTS FOR INFORMATION

1) Please refer to the Joint Response of PPL Corporation, E.ON AG, E.ON US Investments Corp., E.ON U.S. LLC, Louisville Gas and Electric Company and Kentucky Utilities Company to the Tendered First Request for Information of Association of Community Ministries (“ACM”), hereafter referred to as “Response to ACM,” A - 2(b). As part of Regulatory Commitment No. 36, does PPL Corporation intend to contribute any of its own funds to assist LG&E and KU in maintaining a substantial level of involvement in community activities through annual charitable and other contributions?

2) Please refer to Response to ACM A-3(a).

a) How did “partnering with the communities where their customers are located to attract new companies and further economic opportunities” and “providing leadership in regional and statewide business/economic development organizations” further the commitments referenced in the Final Orders of KPSC Case Nos. 2000-00095 and 2001-00104 to maintain a substantial level of involvement in community activities through annual charitable and other contributions?

b) Were amounts expended in the above described activities to attract new companies and engage in other economic efforts included in the amounts reported to the PSC on the Schedule of Charitable Contributions, December 31, 2009 Submitted

pursuant to the Commission's Order in Case No. 2000-0095 attached to Response to ACM A-5(e)?

c) If the response to 2(b) above is yes, please provide a breakdown of how much of the amounts listed in the Schedule of Charitable Contributions are attributable to the above described activities to attract new companies and engage in other economic efforts.

d) Did LG&E Energy, E.ON U.S., LG&E and KU count the contributions of the E.ON U.S. LLC Foundation (formerly LG&E Energy Foundation) towards meeting the commitments to maintain a substantial level of involvement in community activities through annual charitable and other contributions, on a level comparable to or greater than the participation levels experienced prior to the date of the merger as expressed in the Final Orders of KPSC Case Nos. 2000-00095 and 2001-00104?

3) Please refer to the Schedule of Charitable Contributions, December 31, 2009 Submitted pursuant to the Commission's Order in Case No. 2000-0095 attached to Response to ACM A - 5(e).

b) Please provide copies of any written guidelines that each entity utilizes in making decisions on contributions and copies of any applications utilized.

c) Please explain why each entity's level of giving dropped below pre-merger levels at various times including:

LG&E in 2002;

KU in 2000, 2001 and 2003;

Foundation in 2006 – 2009.

d) Please explain why collectively, the level of giving for all three entities combined dropped below pre-merger levels in 2003.

e) For each amount listed, please provide a breakdown of the name of the recipient and amount of the contribution.

4) Please see the attached E.ON U.S. Foundation, Inc. Form 990-PFs, Part XV(a) and (b) Attachments for tax years 2006, 2007 and 2008 obtained from Guidestar.

b) Please confirm that the amounts listed on the attached Form 990 documents form the basis for the amounts listed on the Schedule of Charitable Contributions provided by the Joint Applicants in the attachment to Response to ACM A - 5(e) for years 2006 through 2008 under the “Foundation” column.

c) The following contributions appear to have been made to organizations located outside of the LG&E/KU service territory:

2006: Roanoke Valley United Way Inc., Roanoke Rapid, NC

2007 and 2008:

United Way of Perry County, Inc. Tell City, KY

d) Please describe whether, and if so how, the above contributions and any other contributions made to organizations located outside of the service territory support the relationship between LG&E and KU and the communities they serve, as stated in the prior Regulatory Commitments as expressed in the Final Orders of KPSC Case Nos. 2000-00095 and 2001-00104.

5) Please see the attached E.ON U.S. Foundation, Inc. Form 990-PFs, Part XV(a) and (b) Attachments for tax years 2006, 2007 and 2008. Each of the attached Form 990 documents lists a contribution to the LG&E Energy or E.ON US Foundation Matching Gift Program.

- 7) Please refer to Response to ACM A - 6.
- a) Is it the Joint Applicants' position that Regulatory Commitment 43 requires nothing more than the ordinary business practices currently carried out by the Customer Commitment division as described in this response?
- b) In carrying out Regulatory Commitment 43 would the Joint Applicants commit to including one or more meetings in which ACM and other low-income advocates could participate in a review along with Purchaser, LG&E and KU of current policies and practices with respect to low-income customers to determine whether policies and practices more sympathetic to the needs of such customers would be appropriate?
- c) Would Joint Applicants commit to reporting to the Commission on the results of its review pursuant to Regulatory Commitment 43?
- 8) Please refer to the Response to ACM A - 9.
- a) Please describe the new low income and energy efficiency programs referred to in the response.
- b) Please describe the status of any plans or discussions to change the format of the Forum.
