RE: Case Nos. 2010-00204, 2010-00205 and 2010-00206

Dear Mr. Riggs:

The Commission is in receipt of your May 20, 2010 letter providing advance notice of the intent by PPL Corporation, E.ON AG, E.ON U.S. LLC, Louisville Gas and Electric Company, and Kentucky Utilities Company to file on May 28, 2010 a joint application for transfer of control and ownership under KRS 278.020(5) and (6). You have also requested that an informal conference with Staff and the parties to Case Nos. 2009-00548 and 2009-00549 be scheduled on the morning of June 2, 2010 for the purpose of presenting a summary of the transfer application and the related financing applications.

The Commission appreciates your advance notice of the intended date of filing the transfer and financing applications. However, since there will be only one full business day between the filing of the applications and the date of your requested conference, it will be more meaningful if such a conference is not scheduled until after Staff and other interested parties have had adequate time to fully review all of the applications. Consequently, a conference will likely be scheduled for either the third or fourth week of June 2010.

Sincerely,  
  
Jeff Derouen  
Executive Director
