RE: Proposed Rate Increase

Dear Executive Director,

Please consider this letter as notice that we wish to intervene in the rate increase that Delaplain Disposal Company has recently proposed. Our homeowner's association, Deer Run Estates, met this past Sunday, Sept. 19, 2010. With a quorum present, we dealt with several items of business. One of these was the rate increase in question. Our board of director's was authorized to write this letter.

We don't expect to prevent an increase of some amount, but an increase of 133% seems excessive. Your response will be anticipated, along with any further action we may need to take.

Respectfully yours,

Deer Run Estates Board of Directors

Jeff Green, President
