

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

2010 INTEGRATED RESOURCE PLAN OF BIG) CASE NO.
RIVERS ELECTRIC CORPORATION) 2010-00443

O R D E R

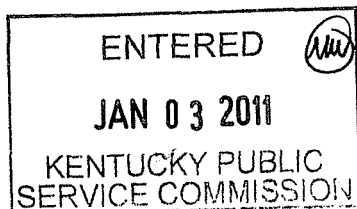

This matter arises upon the petition to Intervene of Alcan Primary Products Corporation and Century Aluminum of Kentucky General Partnership ("Alcan/Century") for full intervention. It appears to the Commission that such intervention is likely to present issues and develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting the proceedings. The Commission also recognizes that a procedural schedule was established in this proceeding by Order dated December 20, 2010. The Commission, being otherwise sufficiently advised, finds that Alcan/Century should be granted full rights of a party in this proceeding and should accept the procedural schedule as it now stands.

IT IS HEREBY ORDERED that:

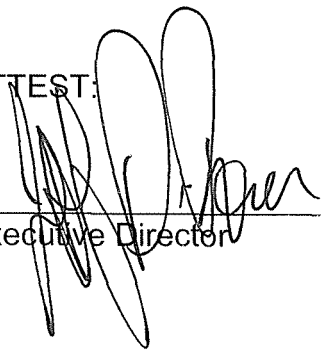

1. The petition to Intervene of Alcan/Century is granted, and Alcan/Century shall accept the existing procedural schedule.
2. Alcan/Century shall be entitled to the full rights of a party and shall be served with the Commission's Orders and with filed testimony, exhibits, pleadings, correspondence, and all other documents submitted by parties after the date of this Order.

3. Should Alcan/Century file documents of any kind with the Commission in the course of these proceedings, Alcan/Century shall also serve a copy of said documents on all other parties of record.

By the Commission
