Application of Water Service Corporation of Kentucky for an Adjustment of Rates  
Case No. 2010-00476

Dear Public Service Commissioners:

I oppose the water rate increase because:

I live on a fixed income,  
it's all I can do to get my  
bills paid as it is. The water rates  
are already high they really too  
high and with any increases  
I don't know how we senior  
citizens and low income people  
can pay any higher bills.

Signed
