Application of Water Service Corporation of Kentucky for an Adjustment of Rates
Case No. 2010-00476

Dear Public Service Commissioners:

I oppose the water rate increase because:

*I am already paying much too much for
a one person household. My water bill
is ^{already} forty to fifty dollars monthly or more.
As a retired senior citizen living on
social security as my only income
now disable & handicapped & having to
attend depend on my children who are also
struggling to survive it is inconceivable.*

Dear Public Service Commissioners:

I oppose the water rate increase because:

*We live on a fix income,
-we have to struggle now to pay
the water bill since the last
increase, there is no way we
could pay with higher rate increase.*
