Application of Water Service Corporation of Kentucky for an Adjustment of Rates
Case No. 2010-00476

Dear Public Service Commissioners:

I oppose the water rate increase because:

*I am a Senior Citizen on a very
fixed income, plus very expensive
medical bills, plus all other
expensive bills and it would
be very hard to handle another
raise from the water company.*

Case No. 2010-00476

Dear Public Service Commissioners:

I oppose the water rate increase because:

Our tiny town has many poor families and senior citizens. They just simply can't afford higher rates.
