Case #2011-00011

PUBLIC SERVICE
COMMISSION

This letter is to inform you that we do not wish for Bluegrass Cell to erect a tower across from our home. We realize that it will be more than 500 feet away (according to information received), however, we feel this is still too close. These towers are noisy, unsightly and the long term effects are yet to be determined.

Our family has already been stricken with brain cancer and while undergoing treatment, we do not wish to be subjected to more environmental factors that could possibly contribute to or cause any other type of cancers. The research we have done has provided that effects, determined outside this country, have not been positive in regards to health and well being.

Perhaps Bluegrass Cell could find another place for this tower that is not directly across from a family dwelling. We choose to live in the rural area for a reason, and that is not for a cell tower or its ill effects to be in our scenic view.

The other names listed on the plat are land owners with no homes in the immediate area, with the exception of the people who will benefit financially from the tower. Therefore, we understand that we may be the only ones to object, however one should be enough to at least re-evaluate.

Please advise us of anything we can possibly do to stop this tower from being erected.

Thank you,

Troy and Staci Abell

PUBLIC SERVICE
COMMISSION

Public Notice

Kentucky RSA #4 Cellular General Partnership is a Kentucky general partnership that markets its services as Bluegrass Cellular. Bluegrass Cellular has been serving Central Kentucky with wireless communications services for almost 20 years.

Kentucky RSA #4 Cellular General Partnership is applying to the Public Service Commission of the Commonwealth of Kentucky (the "Commission") for a Certificate of Public Convenience and Necessity to construct and operate a new cell facility to provide cellular telephone service. This facility will include a 240 foot tower and an equipment shelter to be located at 883 Howardstown Road, Raywick, Kentucky, 40060. A map showing the location is attached.

The Commission invites your comments regarding this proposed construction. Also, the Commission wants you to be aware of your right to intervene in this matter. Your comments and request for intervention should be addressed to:

**Executive Director's Office
Public Service Commission of Kentucky
P.O. Box 615
Frankfort, Kentucky, 40602.**

Please refer to case number 2011-00011 in your correspondence.

Bluegrass Cellular welcomes the opportunity to serve and provide wireless service in your community! (For more information, please check us out online at www.myblueworks.com)
