APPLICATION OF JACKSON PURCHASE)	
ENERGY CORPORATON FOR APPROVAL OF)	CASE NO.
FLOW THROUGH RATES PURSUANT TO KRS)	2011-00057

O R D E R

On December 8, 2011, Jackson Purchase Energy Corporation (“Jackson Purchase”) filed a motion noting that its wholesale supplier, Big Rivers Electric Corporation (“Big Rivers”), had filed a petition on December 6, 2011 requesting “rehearing on various issues” in the Big Rivers’ base rate case.¹ Should the Commission modify the Big Rivers’ November 17, 2011 Order as a result of the Big Rivers’ petition for rehearing and because any such modification would impact the instant matter, Jackson Purchase requests that the Commission make the appropriate modification to the November 17, 2011 Order in the instant matter.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Jackson Purchase has established good cause to rehear this matter.

IT IS THEREFORE ORDERED that Jackson Purchase’s motion is granted.

¹ Case No. 2011-00036, Application of Big Rivers Electric Corporation for a General Adjustment in Rates (Ky. PSC Nov. 17, 2011). On December 8, 2011, the Commission granted Big Rivers’ request for rehearing to consider the issues raised by Big Rivers and determine whether or not the Commission’s November 17, 2011 Order should be modified or amended.
