RE: *Joint Application of Louisville Gas and Electric Company and Kentucky Utilities Company for Review, Modification, and Continuation of Existing, and Addition of New, Demand-Side Management and Energy-Efficiency Programs - Case No. 2011-00134*

Dear Mr. DeRouen:

Please find enclosed and accept for filing the original and ten (10) copies of the revised response of Louisville Gas and Electric Company and Kentucky Utilities Company (collectively “the Companies”) to the Association of Community Ministries, Inc. (“ACM”) Question No. 5c of their Second Information Request dated June 28, 2011, in the above-referenced matter. In addition, the Companies are filing an attachment to Question No. 9c of ACM’s Second Information Request that was omitted from the response filed on July 11, 2011.

In the course of preparing the responses to the data requests, the Companies determined that information that was provided should be corrected or revised. Providing this information is consistent with the general direction in the Commission’s May 20, 2011 Order in this proceeding that a party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

Mr. Jeff DeRouen

Should you have any questions regarding the enclosed, please contact me at your convenience.

Sincerely,

A handwritten signature in black ink that reads "Rick E. Lovekamp". The signature is written in a cursive style with a large, prominent "R" and "L".

Question No. 5

Witness: Michael E. Hornung

- Q-5. Please refer to the Company's response to Question 4 of ACM's First Tendered Request for Information.
- (a) Please provide the information set forth in item (a) of the Company's response for Jefferson County only, broken down by zip code, as requested. Should the Company decline to provide the requested Jefferson County figure and/or zip code breakdowns, please explain in detail why it so declines, including but not limited to an explanation of all of the specific processes and steps that would be required to produce the information; why the Company cannot undertake them; and why the Company was able to produce various customer data broken down by zip code in response to ACM's Second Request for Information in Case No. 2009-00549, but declines to do so in response to the instant request.
 - (b) How many of the customers included in the figure set forth in item (c) of the Company's response are Jefferson County customers?
 - (c) Please provide the information requested regarding programmable thermostats in item (b) of ACM's First Tendered Request, regardless of whether the thermostats have been or will be removed. Should the Company decline to provide the requested Jefferson County figure and/or zip code breakdowns, please explain in detail why it so declines, including but not limited to an explanation of all of the specific processes and steps that would be required to produce the information; why the Company cannot undertake them; and why the Company was able to produce various customer data broken down by zip code in response to ACM's Second Request for Information in Case No. 2009-00549, but declines to do so in response to the instant request.
