Re: Duke Energy Kentucky, Inc.
Petition for Confidential Treatment received 10/25/11
PSC Reference – Case No. 2011-00235

Dear Mr. D'Ascenzo:

The Public Service Commission has received the Petition for Confidential Treatment you filed on October 25, 2011 on behalf of Duke Energy Kentucky, Inc. ("Duke Ky") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.870. The information you seek to have treated as confidential is identified as Duke Ky's Response to the Commission's 3rd Data Requests dated October 4, 2011. The information is described as detailed projections for costs pertaining to retirement obligations of Miami Fort 6 which is currently in operation.

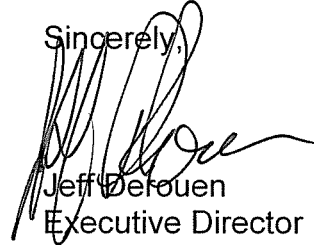

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information could result in an unfair commercial advantage to competitors.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to Duke Ky's competitors. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Duke Energy Kentucky, Inc. is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff DeFouen", is written over the typed name and title.
