INTRA-AGENCY MEMORANDUM

KENTUCKY PUBLIC SERVICE COMMISSION

TO: Main Case File – Case No. 2011-00395
Application of Atmos Energy Corporation to Extend its Demand-Side Management Program as Amended and Cost Recovery Mechanism as Amended for Five (5) Years

FROM: Allyson Honaker, Staff Attorney

DATE: March 6, 2012

SUBJECT: March 1, 2012 Informal Conference

An Informal Conference (“IC”) was held in this case at the Commission’s offices on March 1, 2012. A list of those participating in the IC is shown in Attachment A to this memorandum. Commission Staff (“Staff”) had requested the IC for the purpose of discussing calculations provided in responses to data requests provided by Atmos Energy Corporation (“Atmos”) following a previous IC.

The IC attendees discussed the calculations provided electronically by Atmos to Staff and the Attorney General’s Office (“AG”) prior to the IC. Staff, having reviewed the calculations prior to the IC, advised Atmos to provide its answers, the revised Excel workbooks and the revised tariffs for the record in this proceeding (Atmos filed that information on March 5, 2012). The parties discussed the procedural schedule and the fact that Atmos’s reply comments to the AG, if any, were due on March 2, 2012. The AG’s representatives indicated they did not have any additional questions for Atmos, and did not desire to amend the comments they had previously filed.

The conference was then adjourned.
