Re: PSC Case No. 2011-00407

Dear Mr. Derouen:

Please find attached Grayson Rural Electric's procedures and protocol to ensure the timely application for a Certificate of Public Convenience and Necessity ("CPCN") for its Construction Work Plans ("CWP").

Sincerely,

Carol Hall Fraley
President & CEO

Grayson Rural Electric, Grayson KY

Procedure for getting a 4 year Construction Work Plan approved in a timely manner

6 – 7 Months prior to new construction –

- Notify Commission of its intent to develop a new construction work plan

4 Months prior to construction–

- Send Commission of a draft summary of new planned construction projects
- Send schedule of anticipated approval dates by Grayson Board and Rural Utilities Service.

1 – 2 Months prior to construction –

- File Construction Work Plan with the Commission

Procedure for getting an applicable Annual Operating / Construction Budget Item approved in a timely manner

October 1 of each year –

- Submit a draft of the project to the commission for consideration

January 1 of each year

- Submit a request for approval of the applicable item with Grayson's Board approval.
