Re: Sarah Wolford v. Kentucky-American Water Company  
Petition for Confidential Treatment received 11/04/11  
PSC Reference – Case No. 2011-00413

Dear Counsel:

The Public Service Commission has received the Petition for Confidential Treatment you filed on November 4, 2011 on behalf of Kentucky American Water Company ("KAW") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.870. The information you seek to have treated as confidential is identified as being contained in documents in support of KAW's Answer to the Complaint filed in this case. The information is described as containing Complainant, Sarah Wolford's customer account number, and other personal information, such as her telephone number.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information would result in an unwarranted invasion of personal privacy.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a personal nature, which if publicly disclosed would result in a unwarranted invasion of personal privacy. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Kentucky-American Water Company is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derbuen  
Executive Director
