Re: Case No. 2011-00418
Warren County Water District

Gentlemen:

Commission Staff has reviewed the application submitted in the above-referenced case and has determined that the application fails to comply with the following administrative regulations:

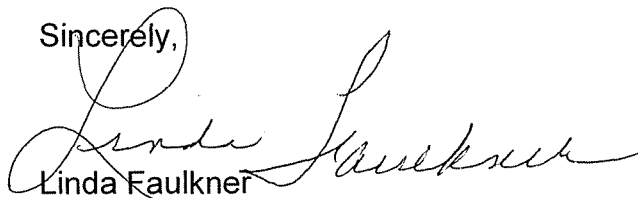

- **807 KAR 5:001 Section 9(2) (b):** The application does not contain a copy of permit(s) from the proper public authority for the proposed construction.
- **807 KAR 5:001 Section 9(2) (c):** The application does not contain a full description of the proposed location and route of the proposed construction.
- **807 KAR 5:001 Section 9(2) (d):** The application does not contain three maps to suitable scale showing the location or route of the proposed construction as well as the location to scale of any like facilities owned by others located anywhere within the map area with adequate identification as to the ownership of such other facilities.

Mr. Alan Vilines
Frank Hampton Moore, Jr., Esq.
October 27, 2011

- **807 KAR 5:071 Section 3(1) (b):** The application does not contain a copy of the preliminary approval letter from the Kentucky Division of Water for the proposed construction's plans and specifications.
- **807 KAR 5:071 Section 3(1) (c):** The application does not contain a detailed map of Warren County Water District's sewage treatment facilities that shows the location of all collection mains, manholes, and utility service area.
- **807 KAR 5:071 Section 3(1) (j):** The application does not contain a detailed depreciation schedule of all property and facilities, existing and proposed, listing all major components separately.

Until the information noted above is filed with the Commission, Warren County Water District's application will not be considered as filed. Commission Staff requests that this information be filed within 15 days of the date of this letter. Direct any inquiries regarding this letter to Gerald Wuetcher, Executive Advisor/Attorney, at (502) 564-3940, Extension 259.

Sincerely,

Linda Faulkner
Filings Division Director
