To whom it may concern;

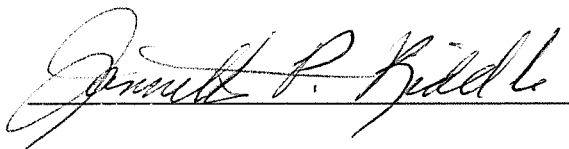

I wanted to express my opinion about the raise in the sewer bill at Coolbrook subdivision in Franklin County. They raised it recently and we really couldn't afford it and everyone was against it but they raised it anyway.

It is all I can do to pay it the way it is now, that has been very difficult for me. I am a widow on a fixed income and I can hardly make ends meet now, if you raise it I won't be able to afford water bill.

Please don't let this raise be approved, people like me can't afford it. It is all I can do to pay my utility bills now, I haven't gotten any raises on my SS for 3yrs and I don't get much.

Thanks for listening to me and please don't approve this raise on the water and sewer bill.

A very concerned and upset customer.....
