Good morning Victor. The two letters I discussed preparing and sending to during our phone call of 2/9/12 were sent to you via Fed Ex yesterday, for today's delivery. The first such letter is regarding the Financing, and the second such letter is regarding the 2012 Environmental Compliance Plan (ECP). This morning I became aware of a necessary revision to the ECP letter, and will supersede the letter sent to you yesterday with a corrected one today. Accordingly, I respectfully request you destroy the ECP letter you should receive today.

Thank you,

Mark
