Mark,

In early January we need to have a meeting with the financial modeling team

Thanks

Bill

Subject: CSAPR start dates

Assume the following start dates

Wilson FGD January 15

HMPL FGD January 14

Reid Conv January 15

Green 1 SCR July 14

Green SNCR January 14

Coleman SNCR January 14

Coleman 1 burners` July 14

Coleman 2 burners July 13

Coleman 3 burners July 15

I realize Wilson FGD is aggressive, but believe we can do it
