I suggest that Tom Shaw be included in the meeting as well.

FYI. Finally, this all seems to be sinking in. I believe we do need to meet, but will propose that Century and Kenergy be included as well. While it may not be necessary initially, eventually the other Member CEO's may want to be included as well. Other thoughts? Thanks, Mark

Subject: Potential environmental regulations

Hello Mark.

I hope this finds you very well. I am sure you will agree that this has been a very busy summer.

I am attaching a letter in which I propose a high level meeting to discuss how our two organizations might work together to respond to the pressures that our businesses will face in light of the new, pending, and potential environmental regulations.

I hope you will accept our offer and the spirit in which we make it.

Best regards.

Guy Authier
