Hello Mark.

I have made my travel arrangements and we would like to accept your kind offer to host the meeting at your offices. We propose to meet with you at 1:00pm, Wednesday September 7th . We also appreciate very much your offer to make so many of your key management personnel available for the meeting.

Don Seberger and I will be joined by Jeff Hopkins of our Government Relations Office in Washington, DC. Therefore, we believe it would be very helpful to have Tom Shaw and John Talbert in attendance.

You undoubtedly have a good idea from my letter of August 17th of the type of information and update we are seeking. We also suspect that all or substantially all of the information has already been developed as a result of your ongoing efforts to address this over all situation. Indeed, it is our hope that this exercise will not result in you and your team having to generate new information or materials. Nevertheless, we will propose tomorrow a general outline/agenda for our meeting next week.

Looking forward to seeing you next week .

Best regards.

Guy Authier
