I will be glad to share that with you once I receive it. I have not seen anything regarding the report. I have asked Eric to share that with me.

Subject: Sargent and Lundy report

Bob,

I have been asked to sit in on the meeting with Rio Tinto concerning the Sargent and Lundy report. I have not kept up on the latest draft from them. Since you are presenting the report can I get a copy of the report you will be using?

Thanks

Tom
