**Importance:** Normal

---

I having been thinking about attending as well, Maybe Dave C. and Al might have an interest.

We can discuss later this week.

Bill

**Importance:** High

Bill,our thoughts

I'm thnking I need to attend this one. See if we can get some better inclng of what/how to model MISO vs CSAPR?

Just an overnight drive.

your thoughts?

Thanks,

Mike T.

**Subject:** [MISO] EPA Rule Impact Workshop - October 13, 2011

Dear Stakeholders,

MISO will host an EPA Rule Impact Workshop on October 13, 2011, 10:00 am – 5:00 pm EPT to provide results from the MISO analysis of the impact of the four primary rules on MISO. The Workshop is intended to promote dialogue between all segments of MISO stakeholders in order to fully understand the ramifications of the EPA rules across markets, reliability and planning. MISO staff will give background presentations outlining the results of study work performed to date as a means of stimulating the discussions. Subject matter experts in Operations, Markets and Planning will be on hand.

This workshop may be attended in person at the MISO Carmel facilities or by dial-in/webcast. Registration is required by October 11 and may be accessed from the URL or path provided below.
