To Whom It Concerns:

2012-129

Regarding the 270 area code numbers, I prefer + desperately want to keep the 270 code for both my land line + cell phone

I think the option that recommends an overlay, which would create a second area code - 364 - in the same territory covered by area code 270 is excellent!

I would not mind 10 digit dialing. Please help those who have area code 270 to retain our present area code.

Thank you for your consideration and assistance in this matter.
