Subject: PSC Case No. 2012-00156: Application for Transfer of Control of Hendron Water District

Dear Mr. Wuetcher:

Please find attached the verifications from Mr. Johnston and Mr. Hopper which were referenced in your email reprinted below. Do I need to send the originals also or will these copies suffice?

Thank you once again for your attention to this matter.

Sincerely,

Melissa Yates

Ms. Yates:

Commission Staff has reviewed the joint application of Paducah Water Works and Hendron Water District for PSC approval of the transfer of ownership and control of Hendron Water District to Paducah and has discovered a deficiency. KRS 278.020(6) requires that the application for transfer of control be in writing and verified under oath. The tendered application is not verified under oath and therefore cannot be accepted for filing. The Commission's Filings Division will issue a formal notification to the Joint Applicants of the deficiency no later than May 8, 2012. If your clients wish to supplement their application with the appropriate verification statements before that date, they may submit those statements by e-mail to me. I will then ensure that those documents are submitted to the Filings Division for filing.

This notification is provided as a courtesy. It is not formal notification of the filing deficiency. If you have any questions, please contact me.
