PUBLIC SERVICE  
COMMISSION

**RE: *The Application of East Kentucky Power Coopertative, Inc. to Transfer  
Functional Control of Certain Transmission Facilities to PJM Interconnection  
Case No. 2012-00169***

Dear Mr. DeRouen,

Although PJM has not filed written comments or testimony in the above referenced case, Commission staff has requested PJM to make available a witness or witnesses for the November 7 hearing, in order to answer any technical questions and generally inform the Commission's proceeding. In response to this request, the following PJM employees will attend the hearing with counsel and be available to answer questions:

**Frank J. Koza**, Executive Director, Operations Support, PJM. Mr. Koza is responsible for modeling and outage coordination, as well as other functions that support PJM operations.

**Steven R. Herling**, Vice President – Planning, PJM. Mr. Herling oversees the System Planning Division, which includes Transmission Planning, Interregional Planning, Interconnection Projects, Interconnection Analysis, and Resource Adequacy Planning.

**Paul M. Sotkiewicz, Ph. D.**, Chief Economist, Market Services Division, PJM. Dr. Sotkiewicz provides analysis and advice with respect to aspects of PJM's market design and market performance, including demand response mechanisms, intermittent and renewable resource integration, market power mitigation strategies, capacity markets, ancillary service markets, and the potential effects of environmental policies on PJM's markets.

For economy of time, our expectation is that Mr. Koza will be able to fully answer any questions. However, Mr. Herling and Dr. Sotkiewicz will be present if there are specific, technical questions, and to ensure the accuracy of our responses.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "Jason Bentley". The signature is fluid and cursive, with a large initial "J" and a long, sweeping underline.
