Re: Steve N. Nichols v. Louisville Gas and Electric Company
Petition for Confidential Treatment received 8/7/12
PSC Reference – Case No. 2012-00218

Dear Ms. Sturgeon:

The Public Service Commission has received the Petition for Confidential Treatment you filed on August 7, 2012 on behalf of Louisville Gas and Electric Company ("LG&E") to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as being contained in LG&E's Answer to the Commission's 1st Data Requests. The information is described as account numbers and other personal information contained in Mr. Nichols' accounts.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information could result in an unwarranted invasion of personal privacy of the Complainant, Steve Nichols.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would result in an unwarranted invasion of personal privacy. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission's file in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Louisville Gas and Electric Company ("LG&E") is required by Section 8(9)(a)
