COMMISSION

To Whom It May Concern:

This letter is in regard to the proposed rate increase by Kentucky Utilities Company/Louisville Gas & Electric. I am submitting my right to intervene in this matter due to the fact that no consideration has been given to the fact that gas prices are at a record low at this time. The reason given for the increase is due to "overhead" but there is no detail provided by the electric company to the consumer. Thank you for your time and consideration in this matter.

Sincerely,

Michael Whipple
