To the Public Service Commission:

Regarding the intended raise
by KU for Jan, 2013 -

Why do we have to have all
these price increases?

There was a raise in 2009,
2010, 2011.

I pay on the budget plan
and it went up 7.00, 12.00 and
now it is going up 7.41 more.

I am a senior on a fixed
income, so this affects me a
lot.

Can't they find ways to save
money, they must make profits.
Maybe they can't manage their
money.

Sincerely,

Jeanette A. Noble
