Re: Kentucky Power Company
Petition for Confidential Treatment received 8-27-12
PSC Reference – Case No. 2012-00226

Dear Mr. Overstreet:

The Public Service Commission has received the Petition for Confidential Treatment you filed on August 27, 2012 on behalf of Kentucky Power Company (“Ky Power”) to protect certain information filed with the Commission as confidential pursuant to Section 7 of 807 KAR 5:001 and KRS 61.878. The information you seek to have treated as confidential is identified as being contained in Ky Power’s Supplemental Responses to KIUC’s Data Request No. 1-1. The information is described as customer-specific information concerning purchases of power and details of customer accounts; cost information of customers not represented by KIUC; passwords, call-in numbers and other information that could allow 3rd party access.

Your justification for having the Commission handle this material as confidential is that the public disclosure of the information could result in an unfair commercial advantage to competitors, and disclosure of account information could result in an unwarranted invasion of personal privacy.

Based on a review of the information and pursuant to KRS 61.878 and 807 KAR 5:001, Section 7, the Commission has determined that the information requested to be held confidential is of a proprietary nature, which if publicly disclosed would permit an unfair commercial advantage to Ky Power’s competitors, and could result in an unwarranted invasion of personal privacy. Therefore, the information requested to be treated as confidential **meets the criteria for confidential protection** and will be maintained as a nonpublic part of the Commission’s file in this case. The procedure for usage of

confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

If the information becomes publicly available or no longer warrants confidential treatment, Kentucky Power Company is required by Section 8(9)(a) of 807 KAR 5:001 to inform the Commission so that the information may be placed in the public record.

Sincerely,

Jeff Derouen
Executive Director
