

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

YMAX COMMUNICATIONS CORP. REVISION TO)
KENTUCKY TARIFF NO. 2, SWITCHED ACCESS) CASE NO. 2012-00257
SERVICES)

ORDER

On June 1, 2012, YMax Communications Corp. ("YMax") submitted a proposal to revise its access services tariff to be effective on and after July 1, 2012. AT&T Kentucky ("AT&T") filed a motion on June 15, 2012 to intervene, to suspend, and to investigate the proposed tariff changes by YMax.

Having considered the proposed tariff revisions and being otherwise sufficiently advised, the Commission finds that, pursuant to KRS 278.190, further proceedings are necessary to determine the reasonableness of the proposal. However, the Commission will not suspend the First Revised Page 59 of the revised tariff, which incorporates YMax's Federal Access Tariff as the rate to be charged for switched access charges. The Commission further finds that AT&T's intervention is likely to present issues or to develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting this proceeding.

IT IS THEREFORE ORDERED that:

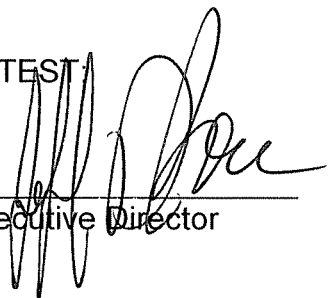

1. Except for the rates contained in First Revised Page 59, YMax's proposed tariff is suspended for 5 months from July 1, 2012 to December 31, 2012.
2. AT&T Kentucky's motion for leave to intervene in this matter is granted.

3. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.

By the Commission
