

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF BLUE GRASS ENERGY)
COOPERATIVE CORPORATION FOR APPROVAL) CASE NO.
OF A PREPAY METERING PROGRAM) 2012-00260

O R D E R

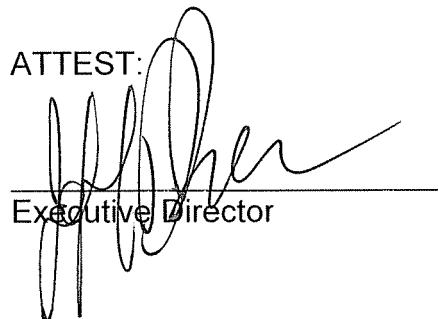

On June 20, 2012, Blue Grass Energy Cooperative Corporation ("Blue Grass") filed an application seeking approval of a prepay metering program. The application includes a signed and dated tariff for the program. The new tariff bears an effective date of August 1, 2012.

Based on a review of the application and the proposed tariff and being otherwise sufficiently advised, the Commission finds that an investigation of the new program is necessary to determine its reasonableness and such investigation cannot be concluded prior to the effective date. Consequently, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the new rates for three months.

IT IS THEREFORE ORDERED that Blue Grass's proposed prepay metering program is suspended for a period of three months, from August 1, 2012 up to and including October 31, 2012.
