PUBLIC SERVICE
COMMISSION

To Whom It May Concern;

Please Carefully Review the protest of this Rate Increase from the Citizens of Wayland, Ky. We are Already paying 125% for our Sewer from our Water bill.

If you grant Southern Water & Sewer A 20% Increase in Water & 20% Increase in Sewer Rates Our Ridiculous Water Bills will Increase Another 40%. We, the Citizens of Wayland, Ky would have an Averse of at least 100.00 just for Water & Sewer.

With this Economy, We Cannot afford these Outlandish Water Bills.

I have enclosed A Petition with

Approximately 250 Signatures From the
town of Wayland and Estill Ky that is
ON Southern Water & Sewer district.

Thank you,
Dale Hamilton

To Whom It May Concern,

I am giving A Written Notification to intervene in the Southern Water & Sewer Rate Increase.

Citizens in the City of Wayland, Covered by Southern Water & Sewer are paying A Sewer bill 125% of our Water bill.

A 20% Increase in Our Water Rates Will Mean A bigger Increase for our already ridiculous Sewer Rate.

Myself, Dale Haulter, Owner of Wayland Quik Mart and the Undersigned Citizens of Wayland, Ky Protest this Rate Increase on Our Water.

Wayland area citizens are on fixed incomes & we live in a high percentage of a poverty area. People can NOT afford this. They should not have to choose water or food or med. med.
