On July 20, 2012, T-Mobile Central, LLC ("T-Mobile") filed with the Commission a proposed amendment to the interconnection agreement between T-Mobile and West Kentucky Cooperative Corporation, Inc. d/b/a West Kentucky and Tennessee Telecommunications Cooperative. The amendment was negotiated pursuant to 47 U.S.C. §§ 251 and 252.

The Commission has reviewed the amendment and finds that no portion of the amended agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that implementation of this amendment is consistent with the public interest, convenience and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the proposed amendment is effective as of the date of this Order.
