Subject: your comments in case 2012-00428 - smart grid administrative case

Dear Ms. Griggs:

Thank you for your comments to the Kentucky Public Service Commission regarding the use of smart grid technology by electric utilities in Kentucky. Your comments will be placed into the case file for the Commission's consideration as it deliberates in this matter.

The case number in this matter is 2012-00428. Please reference it in any further comments.

Records in the case are available on the PSC website at this location:
<http://psc.ky.gov/Home/Library?type=Cases&folder=2012> cases/2012-00428

Thank you for your interest in this matter.

Andrew Melnykovich

Director of Communications
Kentucky Public Service Commission

Subject: NO Smart Meters for Me
Auto forwarded by a Rule

As an American, I have the right to protect my health and my personal privacy. Thus, I definitely do not want a smart meter in or near my home, radiating me or obtaining my private usage of that service. I should have the right to opt out of any device I feel is detrimental to me and my family!!
