Re: Owen Electric Cooperative Case No. 2012-00448

Dear Mr. Crawford:

The Commission Staff has received your written request that we schedule an informal conference in the above referenced case. This case was established upon the filing by Owen Electric of a notice of intent to file a rate application, but that application has not yet been filed. It would be helpful if you could file a supplement to your informal conference request which states the specific issues that you want to discuss and whether you want the conference to be scheduled before your rate application is filed or after it is filed.

If you have any questions about this matter, please contact Richard Raff in our Legal Division.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff DeRouen".
