INTRA-AGENCY MEMORANDUM
KENTUCKY PUBLIC SERVICE COMMISSION

TO: Main Case File – Case No. 2012-00448

FROM: Errol K. Wagner, Team Lead

DATE: August 6, 2013

SUBJECT: August 1, 2013 Informal Conference

An informal conference was held on August 1, 2013 at the request of Owen Electric Cooperative, Inc. ("Owen"). A list of those participating is attached to this memorandum.

Commission Staff began the conference by informing all parties that Owen's motion to withdraw Case No. 2012-00468 "The Application of Owen Electric Cooperative Corporation for Revisions to its Meter Reading Tariff to Accommodate Manual Meter Reading Charges in Instances where its Advanced Metering Infrastructure is Prohibited from being Utilized for its Intended Purpose" was granted without prejudice.

The parties then discussed issues related to the rate case as well as Case No. 2012-00468. When asked about the concern Owen expressed in response to a Commission Staff information request regarding the effect of the lag in the fuel adjustment clause mechanism, Owen agreed that a 2-Year fuel adjustment clause review case would be the more appropriate forum to address that issue.

There being no further discussions, the conference was adjourned.
