ORDER

On November 13, 2012, Brandenburg Telephone Company ("Brandenburg Telephone") filed with the Commission a proposed interconnection agreement for the transport and termination of traffic between Brandenburg Telephone and NPCR, Inc. d/b/a Nextel Partners and Nextel West, Inc. The interconnection agreement was negotiated pursuant to 47 U.S.C. §§ 251 and 252.

The Commission has reviewed the proposed interconnection agreement and finds that no portion of the agreement discriminates against a telecommunications carrier not a party to the agreement. The Commission also finds that implementation of this interconnection agreement is consistent with the public interest, convenience, and necessity.

The Commission, having been otherwise sufficiently advised, HEREBY ORDERS that the proposed interconnection agreement is effective as of the date of this Order.
