FILING FOR DEMAND SIDE MANAGEMENT)	

ORDER

On November 15, 2012, Duke Energy Kentucky, Inc. ("Duke Kentucky") filed its annual Demand-Side Management ("DSM") application. In addition to filing its annual status report, Duke Kentucky requests a modification of its DSM recovery mechanisms to reflect reconciliation of planned and actual expenditures, lost revenues and shared savings.

The Commission finds that an investigation will be necessary to determine the reasonableness of the proposed DSM rates and that a procedural schedule should be established to conduct this investigation.

IT IS THEREFORE ORDERED that:

1. The procedural schedule set forth in Appendix attached hereto and incorporated herein shall be followed.

2. a. Responses to requests for information shall be appropriately bound, tabbed, and indexed and shall include the name of witness responsible for responding to the questions related to the information provided, with copies to all parties of record and six copies to the Commission.

b. Each response shall be under oath or, for representatives of a public or private corporation or a partnership or an association or a governmental

agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

c. Any party shall make timely amendment to any prior responses if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect.

d. For any requests to which a party fails or refuses to furnish all or part of the requested information that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

3. Any party filing testimony shall file an original and six copies.

4. At any public hearing in this matter, neither opening statements nor summarization of direct testimonies shall be permitted.

5. The Commission does not look favorably upon motions for continuance. Consequently, motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of good cause.

6. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
