**CLARK ENERGY COOPERATIVE, INC.'S ANSWERS TO GRAYSON
RURAL ELECTRIC COOPERATIVE CORPORATION'S
INTERROGATORIES TO ALL INTERVENING
DISTRIBUTION COOPERATIVE RESPONDENTS**

Comes now Clark Energy Cooperative, Inc. ("Clark Energy"), by counsel, and hereby responds as follows to the Interrogatories propounded by the Petitioner, Grayson Rural Electric Cooperative Corporation ("Grayson"), to All Intervening Distribution Cooperative Respondents:

INTERROGATORY NO. 1: Please set forth the name, address and title of the person awaiting these Interrogatories.

ANSWER: Paul Embs, President and Chief Executive Officer, Clark Energy Cooperative, 2640 Iron Works Road, P. O. Box 748, Winchester, Kentucky 40392-0748.

INTERROGATORY NO. 2: With respect to each distribution cooperative, please set forth what load or loads any said distribution cooperative has served on its system from a source

other than East Kentucky Power Cooperative including the total megawatts utilized and the date of when said load or loads was commenced.

ANSWER: None.

INTERROGATORY NO. 3: Please set forth the date upon which any notice of service of any load or notice of the utilization of any power outside that purchased from East Kentucky Power Cooperative was sent to East Kentucky Power Cooperative.

ANSWER: Not applicable.

INTERROGATORY NO. 4: Please state whether any distribution co-op received any responses to any of its notices sent to East Kentucky Power Cooperative, and if so, the nature and content of each said response.

ANSWER: Not applicable.

INTERROGATORY NO. 5: Please set forth any power amount or loads each distribution co-op desires to have served outside of East Kentucky Power Cooperative or by action of its Board of Directors has sought and with respect to same, please state whether notice of same has been sent to East Kentucky Power Cooperative, Inc.

ANSWER: None.

INTERROGATORY NO. 6: With respect to each distribution cooperative, please set forth the coincident peak demand over the preceding thirty-six (36) months of its load.

ANSWER: Information responsive to this interrogatory is set forth in Exhibit 7 to the Objection to Petitioner's Notice of Amendment, which was filed on September 24, 2013 by East Kentucky Power Cooperative, Inc. ("EKPC"), and is incorporated herein by reference.

INTERROGATORY NO. 7: Please set forth the terms and conditions of any agreement between any distribution cooperative and East Kentucky Power concerning payment for legal

expenses by East Kentucky Power for any distribution cooperative that has entered its appearance in the within proceeding, as well as setting forth all monies paid by East Kentucky Power Cooperative for legal expenses for any distribution co-op in the within proceeding.

ANSWER: Clark Energy objects to this interrogatory on the basis that it seeks information which is privileged. Moreover, the requested information is not relevant to interpreting or implementing Amendment 3 to the Wholesale Power Contract between Clark Energy and EKPC, which is the issue before the Commission.

INTERROGATORY NO. 8: Please set forth with respect to any distribution co-op intervening in the within proceeding the nature and term of any agreement between said distribution co-op and East Kentucky Power Cooperative concerning payment of costs for wholesale power, anything of value given or received by either party, i.e., the distribution co-op or East Kentucky Power Cooperative concerning the issues raised in the within proceeding, or anything of value for any load to be served by any entity on the distribution co-op's lines, i.e., any concession or disparity in rates charged by East Kentucky Power Cooperative for any particular load such as any industrial customer or otherwise.

ANSWER: Clark Energy purchases wholesale power from EKPC pursuant to the Wholesale Power Contract and EKPC's tariffs and special contracts that have been approved by the Kentucky Public Service Commission. Clark Energy is unaware of anything else which would be responsive to the remainder of the interrogatory.

INTERROGATORY NO. 9: Please state whether any of the distribution co-ops intervening in the within action believe that the purchase of power by it from a source other than East Kentucky Power Cooperative of up to 15% of its load, at any rate less than that which is

currently being paid to East Kentucky Power, would be beneficial to the members of said distribution co-op.

ANSWER: It depends upon the particular details of each proposal. The cooperative would have to take into account all the risk factors which could impact the costs of the non-EKPC resource. One must also evaluate whether any stranded costs would result and how they would be allocated as well as any additional costs which may accrue to the cooperative's Members.

INTERROGATORY NO. 10: If your answer to the proceeding Interrogatory is in the negative, then please set forth the factual basis upon which you claim that your members paying less for electric power is not in their best interest.

ANSWER: Please see the answer to the above interrogatory.

INTERROGATORY NO. 11: Please set forth the name, address and title of each person which any distribution co-op intends to call as a witness at the Final Hearing in the within action setting forth the factual basis upon each said witness is expected to testify, as well as a summary of the grounds for each opinion.

ANSWER: Clark Energy has not yet made a determination in this regard.

INTERROGATORY NO. 12: Please set forth the name, address, title, and educational background and qualifications of any expert witness which any distribution cooperative intends to call at the Final Hearing in this action, as well as setting forth the substance of the facts and opinions to which the expert is expected to testify, as well as the basis for each said opinion and a summary of each opinion.

ANSWER: Clark Energy has not yet made a determination in this regard.

INTERROGATORY NO. 13: Please state whether any of the distribution cooperatives intervening in the within action believe that there is an inherent conflict of interest with the same attorney or attorneys representing East Kentucky Power in the within proceeding, and the same attorney or attorneys representing the distribution cooperatives in the within proceeding, inasmuch as the basis for the complaint filed by the Petitioner is to obtain authorization of payment of wholesale power rates to East Kentucky Power by all of the distribution cooperatives less than the current rate, and as such, result in reduced costs to the members of each distribution cooperative and a reduction in equity to East Kentucky Power Cooperative.

ANSWER: Clark Energy objects to this interrogatory on the basis that it seeks information which is privileged and confidential. Moreover, this interrogatory is not relevant to the Commission's stated intention to interpret and implement Amendment 3 of the Wholesale Power Contract. Without waiving said objection, any determination as to whether a conflict of interest exists between Clark Energy and EKPC will be determined by Clark Energy and EKPC. Moreover, Clark Energy does not believe there is any conflict of interest.

INTERROGATORY NO. 14: If the answer to the proceeding Interrogatory is in the negative, then please set forth the factual basis for the apparent contradictory answer on same.

ANSWER: Please see the answer to the above interrogatory.

INTERROGATORY NO. 15: Please set forth the language of any waiver of any conflict of interest any distribution cooperative has signed that is connected to or is related to the representation it has in this case.

ANSWER: Clark Energy objects to this interrogatory on the basis that it seeks information which is privileged and confidential. Moreover, this interrogatory is not relevant to

the Commission's stated intention to interpret and implement Amendment 3 of the Wholesale Power Contract.
